Membership is an option for success, People helping people is what makes America a great place to live.

Dear Prospective member :

We invite you to join or renew your membership with the National Black Contractors Association— BCA, Inc. a 501 C 3 non-profit, where membership provides you with excellent benefits. As a member of the NBCA, you have the benefit of this organization's 35 plus years of construction industry experience and recognized leadership through out in the heart of San Diego, America's Finest City.

The National Black Contractors Association (NBCA,) is a non-profit *Builders and Contractors Association*, with local, state and national standing. NBCA is comprised of over 3,000 members, which includes general contractors, professional consultants and other industry leaders. Our goal is to help build a bridge between the businesses in the industry and its community members. NBCA is successfully achieving that goal, with an excellent reputation with businesses, local and national leadership in and throughout America. The National Black Contractors Association has also been recognized by national reviews for its commitment to the community. As our list of supporters and contributors continues to grow, the need for assistance in providing essential programs continues to be a challenge.

As a NBCA National member, you will gain exposure to our small contractors and they gain prime, second, and third tier opportunities in the public and private marketplace; health insurance trust benefits; recognition in our membership directory and Cornerstone Magazine; group purchasing power opportunities from A-Z; educational workshops and seminars and a host of other benefits. We welcome you to fill out the enclosed application and join us as we help *"rebuild"* our country.

We thank you once again for your interest and look forward to personally welcoming you to our organization.

Sincerely,

Abdur-Rahim Hameed
National President/ CEO

State Approved Apprenticeships

NBCA— America's Premier Choice for Contractor Services

NBCA means BUSINESS when it comes to meeting the needs of youth in our community, by providing access to a federal and state approved apprenticeship programs.

The State of California requires that all unskilled tradespersons must be in a Federal and State approved apprenticeship program when working on a Public Works project, per California Labor Code (Section 1777.5); where the ratio of Journey workers must be one apprentice to five tradespersons. The program is designed to build confidence and provide support to the apprentice while training in the construction trades. The apprentices will gain educational skills, receive hands-on apprenticeship training, regular job supervision, paid employment and salary increases as job demands increase. Our apprenticeship program meets all state requirements. The ICUAC is approved in three (3) trades: ***Carpentry, Drywall and Lather***. We also refer applicants to all other trades within the construction industry.

Affordable Veteran Family Low-Income Homes

When duty calls young men and women from across the U.S., as young as 18 years of age, too young to drink but old enough to fight for world peace and human freedom, answers the call with the understanding that it may mean that their young lives will forever change. The National Black Contactors Association

In appreciation to the many young men and women who serve our country, ask that you join us by saying,

"Thank You for Your Service" as we build homes for our Veteran Families.

National BCA Dedicated to Helping

It is the mission of the National Black Contractors Association (NBCA) to support BCA's throughout America, in helping African American Contractors gain their fair share of construction contract opportunities, with city, state and federal contract and privet public development, where the general public, supports their business. The national BCA's will help individuals who are seeking contract and employment opportunities on a state and national level, to increase community hiring from the inner-city community. BCA in association with, city, state and federal agencies throughout America will continue to promote diversity in construction and employment, in all aspect of construction, in rebuilding America for tomorrow.

Small Business Community Development Center

The National BCA will help to establish state of the Art Small Business Community Development Centers, in support to the needs of "mom and pop" contractors, who work hand and hand with Major Black and non-black member contractors. This model of a national business office and small business centers helps new contractors with the A, B, and C's of the construction industry. The National BCA partnerships with city, state and federal agencies have opened doors. BCA of California, as in other national BCA's has won hundreds of millions of dollars of construction opportunities for its members.

Mission of the

National Black Contractors Association

To provide leadership on a national and state level for African American Contractors and all other ethnicities who are builders and laborers who historically do not get their fair shares of public and private contracting opportunities.

Vision of NBCA

National Black Contractor Association to assist BCA's across America in establishing themselves as one stop all-in-one professional associations in support to the development of up and coming Black Contractors as a mentoring organization to support the economic development of their business growth and development.
